Reference to: Meeting

Dear Mrs. Weeks,

I am writing to you in reference to our phone conversation. As I promised I tried to communicate with you yesterday, nobody answered so I left a message on the answering machine. We will try to call you today. If we do not manage to contact you could you please let us know if we could meet together on 13th or 14th of November. It is very important for us because we need to book our tickets for the flight.

I look forward to hearing from you.

Yours sincerely

Marek Łagodziński
